

Definition

Info Cubic can support exams necessary to screen the physical capabilities of your candidates and employees that are necessary to fulfill the requirements of their position. As a premier employment screening company, Info Cubic is truly a one stop shop for all your screening needs.

Availability of services will be dependent upon State and Federal law.

Recommended For

Employers hiring candidates for safety sensitive positions, jobs requiring extensive physical exertion and those regulated by the Department of Transportation.

Scope

Physical exams are configurable based on the needs of your organization and the requirements of the position. An exam may include something as simple as a lift test, or a more thorough physical exam including blood pressure and other vitals. Exams mandated by the Department of Transportation will adhere to their requirements in order to keep your organization in compliance. We partner with all major clinic networks to ensure there is always a convenient location near you.

Turnaround Time

24 - 72 hours

Process

Candidate will proceed to clinic or doctor's office with their photo ID and either an electronic authorization generated from our site or with a paper form provided to them by your organization. The exam will be conducted based on the requirements on the authorization form. Results will be transmitted to Info Cubic. Final results will be posted to The Cube for review by your organization.

Results Guidelines

Results will be reported as received from the clinic, lab, or physician. Consultation with qualified legal counsel is recommended for all employment law matters.
