

International Criminal Search

International Searches for criminal records are comparable to U.S. felonies, as well lesser violations when available. Examples of available searches include but are not limited to: India, Russia, South Africa, New Zealand, Australia, United Kingdom, Sweden, Singapore, and China.

Canadian Criminal Search

Choose from a Canadian nationwide repository search or Canadian province criminal records searches. Province searches are hand searched for quality control and accuracy by our agents. On site court searches include both felony and misdemeanor convictions and go back at least 7 years. You are provided with all available details of convictions including charges, offense date, conviction date, disposition and sentence. In most cases, a criminal search is returned to the customer within 48 to 72 business hours from receiving the request. Province criminal court searches offered include: Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland, Nova Scotia, Nunavut, Ontario, Prince Edward Island, Quebec, Saskatchewan and the Yukon.
